Kate Brown  
900 Court Street NE, Suite 254  
Salem, OR 97301-4047

Dear Governor Brown:

We have received a petition to recall you from your elected office pursuant to Article II, Section 18 of the Oregon Constitution. A copy of the recall petition statement is enclosed.

The chief petitioner must collect and submit at least 280,050 valid signatures from active electors not later than 5:00 p.m. on October 14, 2019. If sufficient signatures are not submitted by the deadline, the recall petition becomes void. If at least 280,050 signatures are submitted, our office will then have ten days to complete the signature verification process.

If the recall petition contains the required number of valid signatures, you will be notified and you will have five days to select one of two options. One options is to file form SEL 352 – Statement of Justification that allows you to submit a statement of not more than 200 words describing your justification for remaining in office. The statement will be included on the recall ballot. Your other option is to resign from your elected office effective immediately.

No action is required from you at this time. Please contact us if you have any questions about this process.

Sincerely,

Michelle Teed  
Deputy Director of Elections

The people of Oregon deserve and expect a Governor that honors the will of the voters and works for the good of all citizens, not just special interests and politically-motivated agendas.

During and/or before the 2019 legislative session Governor Brown:

Overturned the will of the voters by granting driver's licenses to illegal aliens  
Overturned the will of the voters by reversing ballot measures that limited taxation  
Denied citizens the right to fully protect themselves as guaranteed by the Constitution  
Denied citizens protection from the growing domestic terrorist threat known as Antifa  
Attempted to deprive Oregon's working families of jobs using faulty environmental policy  
Attempted to deprive Oregon's families their right of medical and religious freedom  
Failed to address the PERS crisis that threatens the economy and government retirees  
Failed to protect Oregon's foster children and failed to cooperate with investigations  
Used taxpayer money to launch frivolous million-dollar, politically-motivated lawsuits  
Repeatedly supported the use of the "emergency clause" on non-emergency legislation  
(effectively denying the voters of Oregon a voice on legislation they opposed)

She has threatened to usurp legislative power with executive orders to implement her failed legislation, deciding single-handedly what is best for Oregon. This is not the Oregon way.

**Chief Petitioner Information** The chief petitioner must remain throughout the petition process or the petition is void.

Dear Mr. Currier,

Attached are the templates for your petition to recall Governor Kate Brown. These templates must be used to produce cover (SEL 350) and signature sheets for circulation. The Elections Division must make all changes to cover and signature sheet templates.

The recall cover sheet template (SEL 350) and 10 line signature sheet template must be copied or printed back to back on a single sheet of white, 8½" x 11" uncoated paper, or equivalent for volunteer circulators and single sheet pastel colored, 8½" x 11" uncoated paper, or equivalent for paid circulators. White paper stock must be used to produce all e-sheets. All paid circulators must register with the Elections Division prior to circulating.

We have replicated the cover sheet for readability purposes. Prior to copying the cover and signature sheet, back to back, you must sign your name on the line in the middle of the recall cover sheet, just above the warning statement. Any variations of the cover and signature sheets must be approved in writing by this office prior to circulation. If at any point during this process you decide to not pay circulators to gather signatures, you must notify our office by submitting an amended SEL 350 and receive updated templates and approval from this office before circulating the amended sheets.

To begin the approval to circulate process, complete and submit form SEL 322 - Template Modification and Approval, indicating weight, style and color of paper along with **printed** examples of petition sheets exactly as intended to circulate. The e-sheet is not required to be submitted for approval but may only be distributed after the Elections Division has approved the petition for circulation.

You must also establish a petition committee by submitting a completed SEL 222 - Statement of Organization for Petition Committee and an SEL 223 - Campaign Account Information. The Elections Division will not approve the recall petition for circulation until you have established this committee.

If you have any questions please contact me at (503) 986-1518.
